

## Cardboard Box Creations

Have you ever wondered what a box could become? Follow along with Rabbit in the story *Not a Box* by Antoinette Portis, to imagine all the things a box can become!

<https://www.youtube.com/watch?v=PMCKXaFsmCA&t=19s>

Then create and take your own amazing box on an adventure at home!

### Supplies:

- A cardboard box
- Tape
- Scissors
- Hole punch
- Glue
- Markers, paint, stickers
- Metal brads, paper clips, clothespins
- Loose parts such as: lids and bottle caps, sticks and leaves, beads, buttons, pipe cleaners, string, cardboard tubes, recyclables, any old junk around the house!

### Instructions:

1. Place all your supplies on a clear surface with plenty of room to create.
2. Brainstorm some ideas for what your box could become. *Tip: try drawing your idea on a piece of paper!*
3. Build and create with all your loose materials. Use your imagination!
4. Ask an adult for help with cutting or attaching things to your box if you need it.
