

Make your own Instrument! Maraca!

Shake shake shake, shake it! Create your very own maraca using household items!

Supplies:

- Tape- Any kind will do! The more colorful the better.
- Spoons- Disposable work best
- Filler- Rice, beans, or corn
- Scissors
- Plastic Easter Egg

Instructions:

1. Gather all the supplies.
2. Start by insertion your filler in the egg. Only fill it half way so there is plenty of room for it to rattle around.
3. Tape the spoon handles together keeping the bowls of each spoon facing each other.
4. Secure the egg between the two spoons with some tape.
5. Lastly, continue wrapping up and around the entire egg

Now that you've made your very own maraca, try rocking out to some of your favorite songs! Shake your maraca along to the rhythm!

Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star,
How I wonder what you are!
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!

Speak and Play English

The itsy bitsy spider went
up the water spout.
Down came the rain, and
washed the spider out.
Out came the sun,
and dried up all the rain
And the itsy bitsy spider
went up the spout again.

“
Row, row, row your boat,
Gently down the stream.
Merrily, merrily, merrily, merrily,
Life is but a dream.
