

Sensory Scavenger Hunt

Did you know that you can find little pieces of our museum all around your home? Explore different colors, sounds, shapes, light qualities, and sizes in this sensory scavenger hunt, based on the exhibits at FCMoD! When you find an item, check it off the list. Show us your completed scavenger hunt on social media with #DailyDiscovery.

Let's explore... COLORS!

- Something GREEN like a tree frog in Animal Encounters
- Something BLUE like the water in the Funky Forest
- Something PURPLE like the Moiré Patterns wall
- Something YELLOW like the gears in People on the Move
- Something RED like the historical gas pump in People on the Move
- Something BROWN like the fur of the *Bison bison* in Wildlands & Wildlife
- Something BLACK like the feet of a black-footed ferret in Natural Areas
- Something MULTICOLORED like the Color Wall (find something with at least 5 different colors!)

Let's Explore... TEXTURES!

□ Something SCALY like Slinky the ball python in Animal Encounters

□ Something FUZZY like the costumes in the Tot Spot

□ Something LUMPY like the stuffed sugar beets in Food, Forage, & Farm

□ Something ROUGH like the rope on the Piano Pulley

Let's Explore... SOUNDS!

□ Something that HONKS like a trumpet in the Music & Sound Lab

□ Something that RINGS like a bell in the Music & Sound Lab

□ Something that SQUEAKS like a fancy rat in Animal Encounters

□ Something that THUNKS like a drum in the Music & Sound Lab

□ Something that DRONES like a bass guitar in the Music & Sound Lab

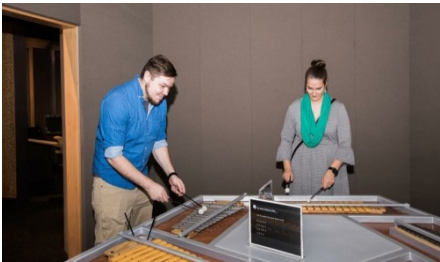

□ Something that CRASHES like a cymbal on the Museum of Discovery wall

Let's Explore... SHAPES!

- ❑ A SPHERE like the balls used in the Tennis Ball Run
- ❑ A CIRCLE like the thought bubble in the museum logo
- ❑ A TRIANGLE like the arrowheads in First Peoples
- ❑ A RECTANGLE like the xylophone keys in the Music & Sound Lab
- ❑ A CUBE like the trains in the Tot Spot
- ❑ A DOME, like, well, the OtterBox Dome Theater!

Let's explore... LIGHT!

□ Something that SHIMMERS like the Wind Wall

□ Something that GLOWS like the traffic light in People on the Move

□ Something that FLICKERS like the lights above the Music & Sound Lab

□ Something that MAGNIFIES like the lenses in the Magnification Station

Let's explore... SIZE!

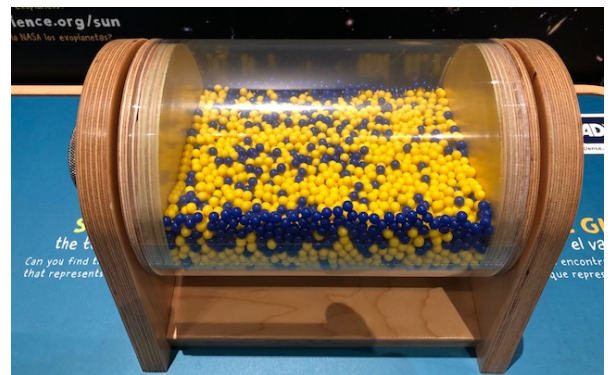

□ Something LONG like the plesiosaur hanging over the Fossil Wall

□ Something TALL like the Woodpecker Tree in the Big Backyard

□ Something TINY like the beads representing planets in Sun, Earth, Universe

□ Something the same size as YOU -- the most important part of the museum!

Draw a picture of YOU!
