

## Virtual Playtime Pals FAQs

### How do I register my child for a Playtime Pals session?

You can register your child for a class by finding the session you are interested in on our website: [fcmof.org/programs](https://fcmof.org/programs)

### How far in advance do I need to register my child for Playtime Pals?

Your child must be registered for the session at least one hour prior to the session start time. Please note that capacity is limited, and registration is first-come, first-serve.

### How much does the program cost?

This program is free, although it does require advanced registration.

### Who will run the program?

The program will be facilitated by FCMoD staff.

### How will the program be structured?

Programs will be around 30 minutes in length. Each session will have a “theme” that draws all the program elements together. (Look at the specific session offerings for the theme.)

1. Show and Share (approx 10 minutes): Your child will have the chance to show off an item from their home and share why they chose that item. *The general “prompt” of Show and Share will be provided in the registration confirmation email, so that your child may choose an item in advance of the session.*
2. Imagination Time (approx 10 minutes): Your child will engage in imaginary play with the other children in the Zoom call and the facilitators. Imagination Time will be guided by a staff member.
3. Dance Party (approx 10 minutes): Staff will play music for all children to dance to. Staff will demonstrate some moves that your child may follow, though your child is encouraged to move around however feels best!

### What items does my child need to participate in the session?

No supplies or materials are required. However, we recommend that your child select an item for Show and Share in advance of the program, based on the prompt provided in your confirmation email. We also recommend that your child has access to common, safe household materials to engage in imaginative play.
